

Did you know that in Minnesota:

Intentional failure to yield
to an emergency vehicle:
Fine: \$300

Assaulting a Police Officer:
Fine: \$3,000

Allowing your loyal employees to
smoke on the job after the MDH
warned you not to:
Fine: **\$10,000**

Wow, that Second-hand smoke must be some bad stuff...

Or, perhaps the MN Dept. of Health has some bad people.
